

General Policies

We are a Techno Free Camp - **No devices are allowed**, if found it will be in the office until the end of camp when a parent can come and pick it up.

Policy for Camper Behaviour: Each Camper & Parent signs a Policy of Expectations when they receive a registration package.

Expectation for Staff: Provide supervision, program instruction and help create a safe environment for all campers.

Chain of Communication in any Incident:

1. Communicate with camper that their behaviour is unacceptable.
2. Help camper identify appropriate ways to interact with other campers.
3. Either relocate the individual away from the area or move the other campers away from the camper. If and when the camper is able to follow the behaviour expectations they can return to their activity.
4. Meeting between the camper and the Camp Director to discuss behaviour, expectations, and consequences
5. First contact with parent/guardian: Camp Director will contact the parent/guardian to explain the situation and discuss options.
6. Second contact to parent/guardian: To arrange the removal of child from the program.
7. If a camper has **serious infraction** of the behaviour policies, it may be necessary to pick them up **immediately**, without first and second contact. In no instance will discipline at camp take the form of physical or psychological punishment. The child will wait in a safe, neutral space until the parents arrive.
