SPRING HORSECAMP PACKING LIST

Warm Sleeping bag & pillow – The girls stay in the Cowgirl Bunkhouse and it has full facilities: furnace, living room, 1 bathroom inside, (2 outhouses outside) 3 bunk rooms

Personal Toiletries – toothbrush, towel for the mid-week shower, (Note: we live the ecofriendly model of not showering every day)

Warm PJ's for sleeping

Warm clothes for riding & playing outside: wind pants and or long underwear, ski jacket, toque, gloves, warm socks. A sweatshirt is great, on a windy day the hood can be pulled up over the helmet to keep warm. Layers work best. Spring weather is neurotic so it's better to come with extra clothes in case we get wet or muddy... Garbage bag to put dirty clothes in
*****NOTE: Clothing that has a Fleece layer on the outside is a bad choice for clothing, the horses are starting to shed and hair sticks onto fleecy = a mess!**

Sweat pants or clean jeans to wear inside

Water Bottle - provides water for drinking and brushing your teeth

Rubber boots are a good addition if you don't have riding boots, please bring runners to wear for hiking. This is all depending on the weather – if its snowy wear snow boots!

**CSA Approved horse riding helmet, bring your own or use one of ours, \$15.00 helmet rental

It's a good idea to mark the inside of your clothes so they don't get mixed up. This is shared accommodations in the Cowgirl Bunkhouse, 3 rooms with 14 bunk beds ☺
